

## Informácia o výrobku List

Verzia 1.  
Dátum revízie 02.11.2009

Dátum tlače 01.06.2010  
FMLA: 350000012697

### Informácia o výrobku

|                          |   |
|--------------------------|---|
| Názov výrobku            | Pronto extra ochrana vosk na linoleum a PVC |
| Použitie látky/prípravku | Vosk na podlahy                             |
| Dátum uvoľnenia          | 02.11.2009                                  |

## 2. ZLOŽENIE/INFORMÁCIE O ZLOŽKÁCH

| Chemický názov                                      |
|---|
| Aqua  |
| Butyl acrylate-methacrylic acid-styrene copolymer   |
| Ethoxydiglycol                                      |
| Ethylene glycol polymer with Fumaric acid and Rosin |
| Oxidized polyethylene                               |
| Ethoxylated iso-decanol                             |
| Parfum  |
| Ammonium hydroxide                                  |
| Limonene  |
| Sodium dodecylbenzenesulfonate                      |
| Sodium lauryl sulfate                               |
| Linalool  |
| Dimethylol Glycol                                   |
| Potassium hydroxide                                 |
| Colophonium   |
| Coumarin  |
| Urea - Formaldehyde polymer                         |
| Sodium sulfate                                      |
| Styrene   |
| n-Butyl acrylate                                    |
| Magnesium nitrate                                   |
| Methylchloroisothiazolinone, Methylisothiazolinone  |
| Benzisothiazolinone                                 |
| Methylisothiazolinone                               |
